#### ACCOUNT DISCLOSURES

**Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.**

**1. RATE INFORMATION** — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend

rate and frequency of compounding for an annual period. For Fixed Certificate accounts, the dividend rate and annual percentage yield are fixed and will be in effect for the initial term of the account.

For Sapling Certificate, Sapling IRA Certificate, Sapling HSA Certificate accounts, the dividend rate and annual percentage yield may change on the first calendar day of

the month based on changes in the Federal Funds Rate (index) as published on the Federal Reserve Board's website ([www.federalreserve.gov/fomc/fundsrate.htm](http://www.federalreserve.gov/fomc/fundsrate.htm)) as of the last business day of the previous calendar month to which we subtract 0.2000%.

For accounts subject to dividend compounding, the annual percentage yield is based on an assumption that

dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

For Seedling Certificate accounts, dividends must be transferred to your Share account; dividends cannot be added to the account. Limit one 12 Month Seeding Certificate per member.

**2. DIVIDEND PERIOD** — For each account, the dividend period is the account's term. The dividend period begins on the first day of the term and ends on the maturity date.

**3. DIVIDEND COMPOUNDING AND CREDITING** — The compounding and crediting frequency of dividends are stated in the Rate Schedule.

**4. BALANCE INFORMATION** — To open any account, you must deposit or already have on deposit the minimum required share(s) in any account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For all accounts, dividends are calculated by the daily balance method which applies a daily periodic rate to the principal in the account each day.

**5. ACCRUAL OF DIVIDENDS** — For all accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.

**6. TRANSACTION LIMITATIONS** — For all accounts, your ability to make deposits to your account and any limitations on such transactions are stated in the Rate Schedule. For Seedling Certificate accounts, any deposits in excess of \$3,000.00 will be transferred to your Share account. After your account is opened, you may make withdrawals of principal subject to the early withdrawal penalties stated below. Withdrawals of dividends are not subject to penalty.

**7. MATURITY** — Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.

**8. EARLY WITHDRAWAL PENALTY** — We may impose a penalty if you withdraw funds from your account before the maturity date.

**a. Amount of Penalty.** For Fixed Short-Term Certificate accounts, the amount of the early withdrawal penalty for your account is 60 days' dividends. For all other Certificate accounts, the amount of the early

withdrawal penalty for your account is 180 days' dividends.

**b. How the Penalty Works.** The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividends have already been paid, the penalty will be deducted from the principal.

**c. Exceptions to Early Withdrawal Penalties.** At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

- (i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
- (ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; or where the account is a Keogh Plan (Keogh), provided that the depositor forfeits an amount at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age 59½ or becomes disabled.

**9. RENEWAL POLICY** — The renewal policy for your accounts is stated in the Rate Schedule. For accounts that automatically renew for another term, you have a grace period of ten (10) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty.

For Special Non-IRA Certificate, Special IRA Certificate and Special HSA Certificate accounts, upon maturity your account balance will be transferred to a 36 month Fixed Intermediate-Term Certificate account with the same terms at the rate in effect at that time. For Special Certificate accounts, upon maturity your account balance will be transferred to a 6 month Fixed Short-Term Certificate at the rate in effect at that time.

**10. NONTRANSFERABLE/NONNEGOTIABLE** — Your account is nontransferable and nonnegotiable.

**11. MEMBERSHIP** — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.
